

Concordia Transitional Care and Rehabilitation Maryville

Success Story

Patient Name: Carl Ellis

Admitted: May 30^h 2018

Discharged: June 24th 2018 to Home !!

Mr. Carl Ellis admitted to our facility on May 30, 2018 after. Upon admission, Carl required assistance with all mobility, activities of daily living and ambulation. Simple tasks were very challenging and limited his ability to safely ambulate without fall risk. With dedication, daily exercises and compensatory techniques, Carl was able to achieve his goals to return home. Carl no longer requires a rolling walker to walk short distances and is able to return home as planned.

"I am grateful for all the help I received while I was here" ... Carl Ellis
